

## **The Vista has closed for the season**

We would like to take this opportunity to say thank you to all who stayed with us this year. 2020 was rough but 2021 was smooth and sweet! We had our best year ever and we have you to thank for it. Your support and confidence means the world to us and we promise that next year will be even better. We have already completed an enlargement of the Breakfast Patio and the new tent will be up for opening day in April. The enlargement will allow for some seating to remain totally out of doors (for you sun worshipers). New sliders and a lot of new mattresses are also on the agenda. We will be busy this winter getting ready for the new season and look forward to welcoming you back.

### Bowling!

The Vista staff had a ball (no pun intended) at our company outing in August.

They especially liked playing at the arcades. I particularly liked the pizza!
